Ken & Flossie Welcome You!

What happens when four couples (two players and two fans) get together with nothing to do? Well, don't we all want to start our own jazz festival? Led by Elliott and Thelma Thompson, that's what happened 12 years ago! And it's come a long way since that first year with two bands and 400 people.

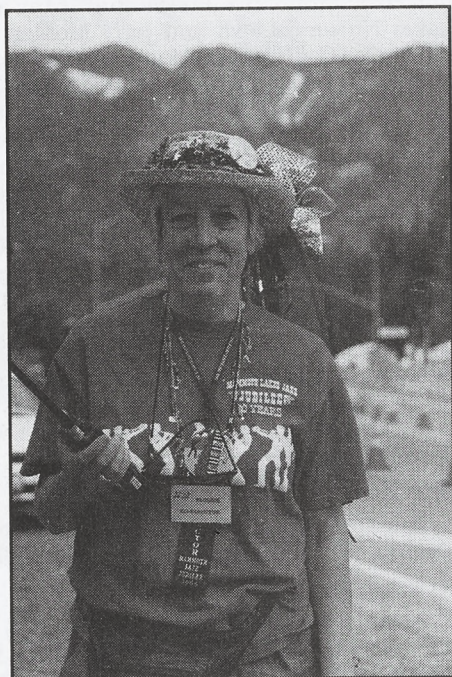

Our entire community has become involved in support of the production. Ten percent of our population are volunteers—that's over 500 people! Businesses, the lodging providers, restaurants and many others donate time, products, money and labor to the event. We couldn't do it without them.

We attempt to bring you a variety of bands and types of music that is different from most other festivals. Please check out the bands that bring you trad, Dixie, swing, big band and zydeco.

The new bands are Terry and the Pirates, which is made up of half of Bill Allred's band and half of the Black Dogs; the Big Shots, featuring Johnny Fabulous, which follows the swing dance craze; and Mike Costley, who performs the sounds of Frank Sinatra, Bobby Darin, Louis Prima and many others.

Also new are two local collaborations, Spanky and the Schucksters and Khamsin Jazz Band.

Returning after having been gone a few years are Dick Johnson's

Co-Director Flossie Duff-Coulter

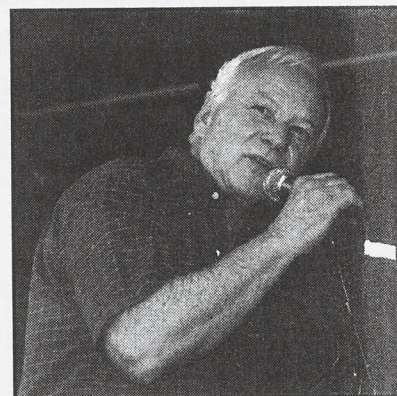

Mardi Gras with Claudette Stone, and the Hot Tomatoes Jazz Orchestra.

All of the rest are so good that you wanted them back from last year!

The only reason to put this on is for you to have a fun time. So get with it and swing!

Thanks for joining us!

12th Annual Mammoth Lakes Jazz Jubilee

INDOOR VENUES

Local Businesses Serve Up Hot Jazz, Too!

In addition to the tented venues at the 12th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

While most of these indoor venues are quaint restaurants, intimate cafes and popular bars, we are again including the RV Park facility as an indoor site.

Expect the RV Park to be jumping both Friday and Saturday evenings with a variety of bands. Check out the site schedule for all the details. This venue is located one block east of McDonald's on Hwy 203, on the right as you are heading back towards U.S. 395.

The upstairs bar inside Whiskey Creek (located at the heart of the Jubilee) will be busy throughout the festival. Performances and special events are scheduled to take place on this stage Friday, Saturday evening, and Sunday mid-day.

Back by popular demand is the Pianorama. This event will be held inside and downstairs Ocean Harvest Restaurant on Saturday from 3-9:20 p.m. Please refer to this year's site schedule for a complete listing of who will perform when at the new Ocean Harvest site.

The Matterhorn and Nevados, also located in the Jubilee hub, are pleased to

again host special banjo events on Saturday. The infamous no-host Banjo Brunch will strum it up from 9-11 a.m. at the Matterhorn, while Nevados will offer a Banjos and Cocktails (Guitars, too) affair (also no-host) from 4-6 p.m. Expect a variety of delicious food at both restaurants.

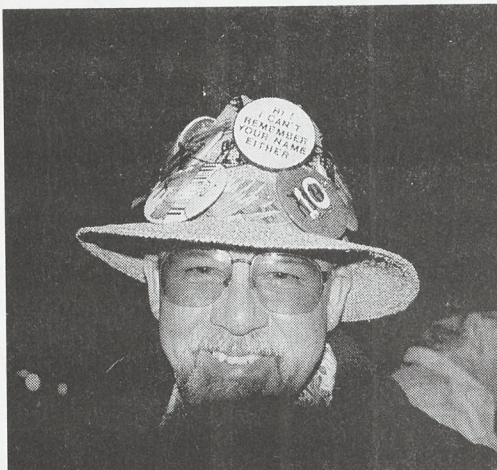

Ryan's Raiders will again be performing at a few local eateries. Look for this fun and rowdy threesome at Angel's Restaurant

Friday at noon, Perry's on Thursday at 8 p.m., and at the Alpenrose Restaurant on Saturday afternoon at 6 p.m.

Remember that many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. **Remember also, your "All-Jubilee" badge does not guarantee you a seat at all events at all times.** If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only.

It's true, the spirit of the Mammoth Lakes Jazz Jubilee began 12 years ago with only one outdoor site. Now the entire town seems to have jumped on the Jubilee bandwagon. *MLJ*

Free Preview Shows

Thursday, July 13

The 2000 Mammoth Lakes Jazz Jubilee will present an afternoon of free previews on opening day — Thursday, July 13 — from 3-7 p.m. Several bands have been selected to play short sets at the Woods Site, between those hours, and at the New Canyon Site, from 3:30-6:30 p.m.

Come meet some of the bands participating in our 12th annual Jazz Jubilee and enjoy a great afternoon of music, ambiance and yummy eats! Imagine sitting under the pines and listening to your favorite bands while dining on a selection of food from local restaurants and non-profit organizations. Full-service bars and outdoor dining tables will be available.

Included in the free preview line-up are the Jubilee's host band, Temple of Folly, and the always-popular Chicago Six. Also participating are the Mammoth Lakes Jazz Camp instructors, known as the Professors.

Special Needs

We make every effort to meet all of our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Whiskey Creek Tent, the New Canyon/Yard complex and Grumpy's Tent. Also, these four tented sites have paved surfaces, not sawdust flooring, making it easier for those in wheelchairs and with canes. Additionally, there is a wooden floor at the RV Park site. Please be aware that the Woods and Church sites do have sawdust surfaces.

A limited amount of handicapped parking spots will be provided at the New Canyon/Yard complex in the parking lot behind Ocean Harvest and across the street from the Woods Site along the wall.

And for all you weary guests, check out a very special feature at the Woods Site — a massage chair with a professional masseuse! Stop in for a quick back rub or foot massage. Be sure to sign up for this 10-minute treat.

Cyclists' needs are again being addressed this year. Look for bike racks at many of the sites. Be sure to bring your own locking devices. *MLJ*

SURVIVAL GUIDE

Festival Badges

*Festival badges are required at all sites.

All-Jubilee Badge	\$60
Friday Badge	\$30
Saturday Badge	\$30
Sunday Badge	\$20
All-Jubilee Youth Badge (ages 12-16)	\$10
Children under 12 years old are welcome free with adult.	

First Aid

*The first aid station will be set up near the Woods Site on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

For Your Information

*Have a great time and please cooperate with the following guidelines, which will help make the jubilee more enjoyable for all:

*Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs.

*Be careful crossing all streets. Use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane. Also, the new sites for New Canyon, New Yard, Ocean Harvest Restaurant and Grumpy's are all situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. **Of particular concern is the fact there is limited lighting at night in front of Ocean Harvest – be very cautious! Cars and drivers are not used to a lot of foot traffic in that area.**

*No seat saving. Not even with your seat cushion! We want to provide chairs for as many people as we can. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Indoor venues have limited seating. Early arrival is suggested.

*Check the area around your seat before you leave so you don't forget anything.

*Lost and found will be located in the main ticket booth at the Woods Site and at the badge sales booth behind Ocean Harvest Restaurant.

Music for the young, and the young at heart

*Recycle cans and bottles in the marked trash containers. Proceeds will go to local high school students.

*Those using a parasol or umbrella, please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people!

*At the discretion of the bandleaders, VCR recorders will be allowed in designated areas only. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

*Dancing on designated dance floors will be at the following sites: New Canyon, Woods, New Yard, Whiskey Creek, Church, and Grumpy's Tent. Special black-and-white floors at the Woods, New Canyon and New Yard sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the sawdust or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

*Sshh! Please keep it down. If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.

*Restrooms are provided at each venue. Look for signs or ask site personnel for locations.

SURVIVAL GUIDE

***Parking will require "common sense."** It will be limited, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: Whiskey Creek lot, Community Center lot on Forest Trail, the dirt lot next to Alpine Lodge, the old town yard lot off of Berner Street, Mammoth High School and in the dirt lot across the street from Giovanni's Pizza just two blocks from the new sites. Please do not block parking spots designated for band members. And always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot. Please see map in this program to find location and pickup times.

***Alcoholic beverage policy.** Any beverage you purchase at one of our food/drink booths may be taken out of an outdoor site, transported down the street, and taken into another outdoor site. Please note: California law does not allow open containers of alcohol in cars — do not transport your Jubilee-purchased alcoholic beverage in a car. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our outdoor sites.

Sorry, still no coolers or thermoses allowed.

This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Nevados, Matterhorn, Whiskey Creek Restaurant, Ocean Harvest Restaurant or any other indoor site.

Traffic control

***Wooden dollars will be used as payment for food and drinks at outdoor sites only. The one exception: The Sunday night program at Grumpy's Tent (Goodbye 2000 Jubilee) will only take cash. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening.**

Most indoor sites will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there.

At the entrance to the Woods Site and behind Ocean Harvest Restaurant at the Badge Sales Tent, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars.

If paying by cash or check, there is no minimum: you can buy from \$1 up.

Also, look for Mammoth Lakes Jazz Jubilee chip girls, who will be walking around selling wooden dollars at three sites: Church, Woods, and new Food Court area (located at New Canyon, New Yard and Ocean Harvest Restaurant sites area).

Please buy only the "dollars" you need, as there is a no-refund policy.

Most of All, Enjoy!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

***Do have a good time, and we hope to see you next year, July 12-15, 2001. MJJ**

Souvenirs and More

New Canyon/Yard Complex

Both the Woods Site and the new Canyon/Yard complex will feature souvenir tents this year. There, you can buy videos, tapes, CDs and even old records of all your favorites, as well as other souvenirs, such as T-shirts (including the newly designed Jazzzy-T), hats, pins, specially labeled wine from Mirassou Vineyards, mugs, and more.

Also available are Mammoth Lakes Jazz Jubilee golf shirts, sweatshirts, long sleeve Henleys, and long sleeve polo shirts.

New souvenirs on sale this year are fine wineglasses with the Jubilee inscription. These will go nicely with our 750 ml. Chardonnay, Merlot and Reisling from the fine wine company, Mirassou. We are also selling a limited number of 1.5 liter bottles of Reisling signed by Heather Mirassou. This is the same fine winemaker as last year, but a new vintage. These bottles make great souvenirs or gifts.

Also new this year is a video titled "Mr. Jack Daniel's Original Silver Cornet Band & Friends." From the 1999 Jubilee, this live performance features 17 songs. Friends joining Mr. Jack Daniel's include Bob Draga and Bill Allred's Classic Jazz Band.

The newest CD release, "Mammoth 99: Big Band and Little Band" boasts 18 tunes featuring Terry Myers and the Mammoth Lakes All Star Big Band and the Phil Norman Tentet.

Also, individual bands will be selling their own CDs, tapes and souvenirs when they play at each site. But if you miss picking something up, come by the souvenir tents at the Woods Site or at the new Canyon/Yard complex and take home a piece of the 2000 Jubilee. *MLJ*

12th Annual Mammoth Lakes Jazz Jubilee

Jazzy T-Shirt Raffle

Your chance to win a 27-inch color TV, a CD portable stereo, or two airline tickets

One of the most popular souvenirs available at the Mammoth Lakes Jazz Jubilee is the Jazzy T-shirt. Not only is this T-shirt beautifully designed each year, but every shirt is individually numbered to represent the purchaser's chance in a huge raffle. Buy a Jazzy T-shirt, fill out attached entry card and enter it into the raffle. Buy two, and your chances increase.

The Jazzy T-shirt actually went on sale over a month ago at various local businesses. Since mid-June, weekly raffles have generated excitement about the Jubilee. Prizes, such as gift certificates and merchandise, have already been given away.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the grand prize drawing of two airline tickets; or the first prize of a 27-inch color TV. Another top prize is a CD portable stereo. Another prize is a three-day, two-night stay in a spa suite at the Silver Legacy Resort Casino in Reno.

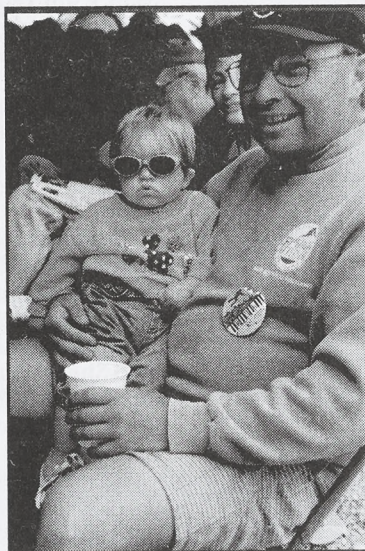

This year, there is a special new raffle prize of a hand-painted, handmade black cloth women's

jacket. This one-of-a-kind jacket was made by Dorothy Giffin and colorfully painted by Joyce Shelton, an acclaimed artist and girlfriend of drummer Eddie Metz, Jr. The jacket maker, Giffin, is Terry Myers' mother.

If you are a lucky winner of any of the many wonderful items being raffled, you can find the prize pick-up at the back of the Woods Site.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at the Woods Site T-shirt booth or in the Food Court area shared by the new Canyon and Yard sites. Fill in the attached entry card and hand it to the Jubilee volunteers in the booth.

Even if your number is not called for the grand prize, there are many other great prizes to win and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun. *MLJ*

SPECIAL EVENTS

New Events, Old Favorites

The Mammoth Lakes Jazz Jubilee is a special event in itself. Yet year after year, several "special" special events fill-up the schedule. Most of these "special" special events have been around for years, while others are fairly new.

Thursday Free Previews:

The first special event is an afternoon of free previews. This takes place the opening day of the Jubilee, Thursday, July 13. This year, free previews will run from 3-7 p.m. at the Woods Site, and from 3:30-6:30 p.m. at the New Canyon Site.

To start things up in style is host band Temple of Folly, who will rev folks up at the Woods Site beginning at 3 p.m. After Temple of Folly's set is Chicago Six at 4 p.m. and the Jazz Camp Professors at 5 p.m. Ryan's Raiders wrap up the Woods Site free afternoon of previews with their set from 6 to about 7 p.m. Each band will serve up about 45 minutes of music — just enough to whet your appetite of things to come.

Over at the New Canyon Site at 3:30 p.m., the Youth/Jazz Camp Band will show off what they've been learning at camp, followed by the Side Street Strutters at 4:30 p.m. The final free preview at the New Canyon Site is a little different from what we're used to here at the Jubilee. It is an exciting performance by a Mexican dance group called the Latino Club Dance Troupe. They will hit the New Canyon stage at 5:30 p.m. These sets will be approximately 45 minutes as well.

Thursday Night Specials:

Later that evening, the fun continues at the Woods Site and at

the New Grumpy's Tent. Entrance into all Thursday evening preview shows (that means all shows after 7 p.m.) will require an "All-Jubilee" badge — or you can purchase a special Thursday night wristband for only \$5. That wristband will allow you entrance into the Woods and New Grumpy's sites that night only.

First up for the Thursday evening line-up is an hour of swing dance lessons taught by well-known instructors Audrey Wilson and Shesha Marvin. Lessons begin at 7:15 p.m. on the dance floor of the Woods Site. This event is for people of all abilities, so don't be shy — come on out and give it a try. Or show off what you already know!

Later at the Woods Site, get moving and grooving with Wooden Nickel Jazz Band beginning at 8:15 p.m., followed by Blue Street Jazz Band at 9:30 p.m. Over at the New Grumpy's Tent, the Side Street Strutters will get you going starting at 8:15 p.m., followed by the sounds of zydeco and Mardi Gras with Gator Beat at 9:30

SPECIAL EVENTS

p.m. All evening performances will run about one hour.

Free afternoon sneak peaks. Thursday evening wildness. What a great way to start off a fabulous weekend of jazz.

Badges Required

Badges are required to get into all remaining Friday through Sunday regularly-scheduled performances and special events. The Goodbye Jubilee party demands a \$5 cover charge if you don't have an "All-Jubilee" badge. That party will be held at the New Grumpy's Tent beginning at 8 p.m., Sunday, July 16.

Friday Special Events:

On Friday, July 14, special events on the line-up include more swing dance lessons at the RV Park at 3 p.m. and a Father and Son Guitar jam at 4 p.m. at Ocean Harvest. Also at Ocean Harvest, Bob Draga and Jeff Barnhart will team-up for two special sets at 6:30 p.m. and 11:30 p.m.

The Woods Site will be the place for special sets dedicated to genre favorites and personal style. Temple of Folly performs a Count Basie set at noon. Chicago Six returns to deliver a set devoted to "Precocious Percussion" at 5 p.m. Blue Street, Gator Beat and then Side Street Strutters do Mardi Grass sets at 7:30 p.m., 8:45 p.m. and 10 p.m., respectively.

At the Church, Mike Costley will do a set of Louis Prima beginning at 8 p.m.

Saturday Special

Happenings:

The Musical Instrument Petting Zoo is back! Everyone is invited to come and test their musical skills with a slew of band instruments. Zoo hours are Saturday, July 15 from 9:30 a.m. to 10:30 a.m. at the New Canyon site. Don't worry, real musicians will be on hand to help those who don't know the difference between a trumpet and a trombone!

Saturday morning is the return of the Jazz "Junque" Swap Meet where you can buy and sell all the jazz memorabilia you can dig up. The Swap Meet will take place in the parking lot of Nevados Restaurant from 10 a.m.-noon. Jubilee badge holders can rent a swap meet table for just \$20.

More special features on Saturday are the now famous no-host Banjo Brunch and no-host Pianorama, along with the Banjos and Cocktails (Guitars, too) event, also no-host.

The no-host Banjo Brunch will be held at the Matterhorn restaurant from 9 a.m. to 11 a.m. with the Jubilee's hottest banjo and guitar players strumming up a storm in various sets. Over at Nevados that afternoon from 4-6 p.m., more wild banjo and guitar playing will occur during the no-host Banjos and Cocktails (Guitars, too) shows.

Another Saturday morning special features Chicago Six at 11:15 a.m. at the New Yard with a set of big band tunes.

The Pianorama gives the Jubilee's talented pianists a chance to show their stuff. This awesome special event will occur inside Ocean Harvest Restaurant (downstairs) from 3 p.m. to 9:20 p.m.

Ocean Harvest is the place for more Saturday night specials.

12th Annual Mammoth Lakes Jazz Jubilee

Boy, do we have singers!

Draga and Barnhart will again team up for a special set at 9:30 p.m. followed by a new event: A Jam Session led by Ryan's Raiders beginning at 10:45 p.m. This should be a wild and fun event so stop by and check it out.

The Woods Site again has a full day of special Saturday sets.

Swing dance lessons at 9 a.m., Mike Costley's set of Frank Sinatra tunes at 12:30 p.m., and the ever-popular Brass Blast with Temple of Folly backing them at 4:15 p.m. The Brass Blast will feature trumpet and trombone players from several Jubilee bands. The Side Street Strutters will have you "Jumping into Swing" at 6:45 p.m. to prepare you for what's next.

Later Saturday night at the Woods Site (from 8:15-10:15 p.m.) the Big Band Bash with Terry Myers will certainly draw a crowd. Terry Myers is the leader of this 18-piece band. (See the featured article in this program about this wonderful event.)

And at the New Grumpy's Tent, folks will welcome the return of Chicago Six' Ellington set at 9:15 p.m.

Special Stuff for Sunday:

The final day of the Jubilee is Sunday, July 16. Several special sets will take place that day starting with a Hymn-a-Long at the New Yard from 8:15 to 9:30 a.m. Night Blooming Jazzmen will lead this fun and spirited event.

Sunday is also Graduation Day for the 2000 Youth/Jazz Camp Band. Stop by the ceremony at 10:00 a.m. at the New Canyon Site.

A Sunday morning gospel set at the Woods Site begins at 10:00 a.m. with Blue Street followed by Lance Buller and the Monarchs set of the "three Louies" – Louis Prima, Louis Jordan and Louis Armstrong. And at the Church Site, Mardi Gras will also present a gospel set at 10:30 a.m. Over at Whiskey Creek (inside), Chicago Six will perform a semi-gospel set at 11 a.m.

The Grand Finale is set for Sunday afternoon at the Woods Site starting at 4:15 p.m. This exciting finale is not to be missed.

And as mentioned above, the Goodbye Jubilee 2000 shindig at New Grumpy's Tent is set to begin at 8 p.m., with Cajun-style music from Gator Beat. This is a wild and crazy night. Be there early, since it always fills up.

Be sure to stop by to say goodbye to the 12th annual Mammoth Lakes Jazz Jubilee. Remember, you will need your "All-Jubilee" badge or a \$5 cover charge to get into the Goodbye Jubilee 2000 party. MLJJ

What's New at This Year's Jazz Jubilee

Hot Jazz in the cool Sierra is here again with the 12th annual Mammoth Lakes Jazz Jubilee. As always, four music-filled and party-packed days of fun are on tap for the thousands who travel from far and wide to meet, greet, listen, dance, drink and gobble-up all that this huge festival has to offer.

Each year, this Jazz Jubilee expands a little and this year is no different. Twenty-plus bands, 10 venues and a schedule that is full of performances, special events and more are what will make this year's jubilee the biggest and perhaps best yet.

Co-Directors Ken Coulter and Flossie Duff-Coulter (yep, the couple just got hitched) have been the steam which makes this engine run so smoothly for about 11 years now. So we asked them what's new and different about this year's festival?

Some New Bands

Well, while most of the bands playing in 2000 were on last year's line-up, Ken and Flossie are excited to welcome five new bands. Actually only two have never played here: The Big Shots starring Johnny Fabulous, the Mike Costley Band, Spanky and the Schucksters, and the Khausin Jazz Band are also coming for the very first time. Returning after a few years absence are Dick Johnson's Mardi Gras Jazz Band with Claudette Stone and the Hot Tomatoes Jazz Orchestra.

Another new band has plenty of familiar faces. Hailed as Terry

and the Pirates, this group is made up of part of the Black Dogs and part of Bill Allred's Classic Jazz Band. This should be some powerhouse band to watch and dance to.

New Sites

The most significant news is the change in site locations. With proposed construction of the North Village area forthcoming, Ken and Flossie made a decision last fall to center several sites in the area between Ocean Harvest restaurant and the Sierra Nevada Inn.

"The biggest challenge for us this year was figuring out what to do with the site situation," said Ken. "Last fall, we had to come up with new sites to make up for those we might lose due to construction of the North Village area." That construction was proposed to begin this summer, thus interfering with both the old Yard and Canyon sites as well as the Bear Pit. As it turns out, construction plans have been delayed until next April.

Located on the corner of Old Mammoth Road and Sierra Nevada Road, the new site complex will be home to three new major sites: New Canyon and New Yard, both tented sites and the downstairs section of Ocean Harvest restaurant, an indoor locale.

The three sites will share a large food court area, which will also house a large bar and two souvenir tents. Badge sales and wooden dollars will be available at the entrance of the entire New Canyon/Yard complex, located behind Ocean Harvest restaurant.

"We still don't have a name for the entire area," said Flossie.

"But we will hold a contest to come up with a name," added Ken. "That's taking place during the Jubilee."

Another change in sites is the Grumpy's Tent location, which

BIG BAND BASH

Big Band Bash with Terry Myers

**Saturday, July 15, 8:15-10:15 p.m.
at the Woods Site**

The ever-talented Terry Myers returns to Mammoth Lakes with his big-band charts all the way from Orlando, Florida. All of those familiar tunes you love are sure to be included.

Many world-class players from the 2000 Jazz Jubilee line-up will join Myers and put on a show to remember. Big bands are not as widely in existence these days, so we encourage lots of players to participate. To emphasize how good they are, the players don't rehearse before the performance, they just sight-read and swing.

Myers brings out the best in all of them. Be sure to stop by for at least part of this two-set event. *MLJ*

Think Before You Drink: Take It Easy

For those of you unfamiliar with the altitude here in Mammoth Lakes — take it easy! At 8,000 feet, you and your body will react to things differently. Specifically, be careful when drinking alcohol.

Consuming two beers at a high altitude will affect you very differently than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first.

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. *MLJ*

Food and Drink for Jubilee 2000

The Jazz Jubilee will have soft drinks, beer, wine, coffee, water, and cocktails at all outdoor venues. Also, check out the goodies at the following sites:

Grumpy's Tent: Good grits and drink.

Woods Site: barbecue, Asian food, pretzels, nachos, hot dogs, ice cream, orange juice, smoothies.

Also, stop by the Matterhorn Restaurant on Saturday morning for a no-host brunch during the famous Banjo Brunch 9-11 a.m., and be sure to try some of Nevados' delicious delights during the no-host Banjos and Cocktails (Guitars, too) session Saturday from 4-6 p.m. *MLJ*

Lights, Camera, Action: Jubilee to Be Filmed Again

Filming all the music, fun, and partying at the Mammoth Lakes Jazz Jubilee has become part of the tradition of this event. In fact, this marks the seventh year in a row a film crew is in Mammoth making a documentary film about the Jubilee.

Most of the people involved in the film crew are graduates of the USC Graduate School of Cinematography and Television, now working with GOAL Productions on this project.

Over the years, GOAL Productions has produced several videos about the Jubilee, including "More Jazz Up High," "Jazz in the High Sierra," "Mammoth Encores," and "10 Years Old and Still Going Strong."

The latest video release is from last year's Jubilee and is titled "Mr. Jack Daniel's Original Silver Cornet Band & Friends." It features both Bob Draga and Bill Allred's Classic Jazz Band.

These and other videos are on sale at the souvenir tent in the Woods Site and at the souvenir tent in the Food Court area shared by the new Canyon and Yard sites.

Filming will focus on a variety of aspects of the Jubilee, such as how a small town puts on a major event, the beautiful settings and surrounding sights of Mammoth Lakes, and select bands' performances. Jack Oswald is in charge of the production. He will be happy to answer any of your questions.

If you are chosen to be interviewed, please cooperate and tell them why you love Mammoth and this Jubilee. *MLJ*

Jazz Jubilee Camp Celebrates Sixth Year

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a weeklong camp devoted to teenagers and to jazz.

This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its sixth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 9 and will run through July 16. It is a unique opportunity for young musicians who want to learn all elements of jazz, and who wish to perform at a major jazz event.

The camp is not for simply learning how to play an instrument; it's for learning how to play jazz. Professional musicians and educators are providing the students with playing experience, not just classroom experience. And, to top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join

Bill in the experience, including Rusty Stiers, Jim Buchmann, Steve Tyler and Westy Westenhofer, as well as Ed Metz Jr., one of the top drummers in the world. A former intern, Jason Wanner, is now a regular instructor at the annual jazz camp.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors at this year's Jubilee. They will be performing as "The Professors." Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona and Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets. *MLJ*

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee and the Music Society of the Eastern Sierra donate money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at the Woods Site and at the New Canyon/Yard complex, donates a satin jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket! *MLJ*

Fourth Annual

Musical Instrument Petting Zoo

Saturday, July 15, 9:30-10:30 a.m. at New Canyon Site

Many of the people who attend festivals have never even touched a musical instrument, much less played one. In 1997, we thought it would be fun to have a Musical Instrument Petting Zoo, featuring many of the instruments used at the Mammoth Lakes Jazz Jubilee. It was such a huge success; we have brought it back every year since.

Kids, adults, musicians, and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people have since taken up their favorite instrument. The instructors sure got a kick out of it, too.

This year, we are holding the Instrument Petting Zoo just prior to a performance by the Youth/Jazz Camp Band on Saturday, July 15 at the New Canyon site. Petting hours are 9:30-10:30 a.m., so stop by and hold, blow, beat, or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Best of all, jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. *MLJ*

More Thanks

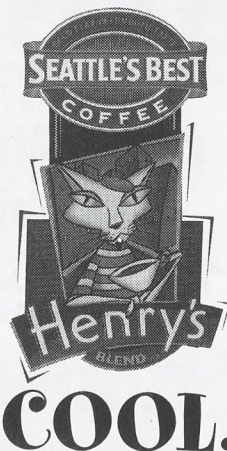

The 12th annual Mammoth Lakes Jazz Jubilee is supported in part with funds from the National Endowment for the Arts, a federal agency, and the California Arts Council, a state agency.

We here at the Jubilee are very grateful for the support of these agencies and councils, and welcome their participation in this year's event. *MLJ*

Our Philosophy

Still jazzing after all these years...

Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to come together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry, and the whisper: it should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential to know things about music and about the musicians. The music is enough by itself; so is the setting; and so too are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year. *MLJJ*

Special Photo Op at Picture-Taking Area

Pose as a musician at the picture-taking area. A large and colorful board depicts musicians at play with a spot to stick your own smiling mug. Bring your own camera and snap away.

Because of the new tents and sites, we are changing the location of the picture-taking area. Ask any information assistant where to find this fun photo opportunity.

Take home a fun memory of the 12th annual Mammoth Lakes Jazz Jubilee. *MLJJ*

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works to achieve the goal of encouraging, sponsoring, and stimulating active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support.

The Music Society is a contributor to the Jazz Jubilee Camp, a weeklong program for young musicians interested in learning to play jazz. Their donations allow students to participate in the popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Woods Site. If you don't see a red-aproned information guide (with the big white "?" on the front of the apron) stop by the Music Society table and they will assist you.

Other areas where the Music Society is a contributor include the Sierra Summer Festival, Mono County Arts Council, the Community Chorus ("The Messiah") and the High Sierra Musical Theater.

Contributions are also given to the Barber-shoppers, Brass Choir, school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests, and scholarships for promising high school seniors. *MLJJ*

Elliott Thompson	Co-Leader, Trombone
Flip Oakes	Trumpet
Don Rice	Tenor Sax
Bill Hunter	Piano
Dave Koonse	Guitar
Tom Azarello	Bass

Locals Elliott Thompson and Ken Coulter, along with friend Dave Koonse, formed Temple of Folly over 20 years ago. Many players have come and gone since then, but for the last five years, most of the players have stayed the same.

Flip Oakes, Don Rice, Bill Hunter and Tom Azarello are all fine professional players. Expect them to perform great swinging jazz for you. The addition of vocalist Beverly Jensen is frosting on the cake.

Temple of Folly is the host band of the Mammoth Lakes Jazz Jubilee and the reason Elliott and Thelma Thompson started the Jubilee way back in 1989. You see, Elliott just wanted a great place to play. He sure got that.

This must-see group is not your normal host band.

Like any good host, Temple of Folly guarantees a foot-stomping, hand-clapping good time.

Ken Treseder	Leader, Sax, Piano, Vocals
Steve Crum	Trumpet, Vocals
Penny Watson-Crum	Sax, Vocals
Tom Bevan	Guitar, Vocals
David Eastly	Bass, Vocals
Randy White	Drums
Kirk Wall	Vocals

The Mammoth Lakes Jazz Jubilee is excited to welcome on board The Big Shots, starring Johnny Fabulous, a seven-member swing band based out of Southern California. The band formed in 1997 after evolving from another band that existed three years previously with all current members except vocalist Kirk Wall.

Leader and brainchild of the Big Shots is Ken Treseder, who wrote and composed many of the songs on their CD. He is an impressive saxophonist who has had a chance to study and play with many jazz greats including Ray Brown.

Joining Treseder is fellow saxophonist Penny Watson-Crum, whose father played trombone with the Count Basie Band. Watson-Crum also worked for four years on the Arsenio Hall Show. Her husband Steve Crum is in the band, handling both trumpet and keyboards

— sometimes simultaneously. Bassist Dave Eastly, guitarist Tom Bevan, and electrical engineer turned drummer/percussionist Randy White, round out this amazingly talented group of musicians.

Kirk Wall, who is "Johnny Fabulous," adds to the group as a humorous and flamboyant front man. He dons vibrant zoot suits while showing off a vocal range capable of swing tunes, doo-wop, rock, gospel, rockabilly, and even opera.

"Instead of being punk musicians who got turned on to swing, we are swing musicians who have chosen to get more theatrical," said Treseder. "We know our instruments and swing music, and we're developing a more rock-n-roll attitude."

The Big Shots have performed with the Long Beach Pops Symphony, at the Queen Mary, Disneyland, Tower Records WOW in Long Beach, Majestic's nightclub, the Indian Wells New Year's Jazz Festival and many other events and venues.

"I think swing and other oldies will retain popularity because of the broad spectrum of interest. There's an appeal to all ages. And it's non-stop fun," said Wall.

Jason Jurcak Guitar/Banjo
Rick Canfield Drums
Ed Hull Tuba
Bobbie Gideon Piano

Sherri Colby Vocals

The Blue Street Jazz Band has been a major force on the Dixieland jazz circuit for a number of years. Founded in 1983 by trumpet player Forrest Helmick, and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively-conceived arrangements have been the hallmark of the band along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin" — Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. With 18 years as a group, more than a dozen top-selling albums and too-many-to-count live performances around the globe behind them, this is one band you've probably heard before.

Known for their fast-paced, energetic, and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown in the mix, the band has a wide appeal to audiences and pleases both young and old alike.

Chicago Six (plus two) is as much a tradition here in Mammoth as the Jazz Jubilee itself and they are recognized here as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, Chicago Six has been around for more than 15 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the most well known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett and Tex Beneke.

One of this band's most popular sets is called Precocious Percussion, and it happens on Friday evening at 5 p.m. at the Woods Site. Don't miss it. They will also perform a "semi-gospel" set Sunday morning at 11 a.m. inside Whiskey Creek.

Dick Johnson's Mardi Gras Jazz Band

Sacramento, California

Dick Johnson Leader, Trumpet
 Claudette Stone Vocals
 Ed Schmalz Reeds
 Brad Hammett Trombone
 Tom Shove Piano
 Mickey Bennett Bass
 Charlie Robinson Guitar
 Ron Jones Drums

The Mardi Gras Band has been operating since 1984, when leader Dick Johnson organized it for the Sacramento Jubilee of

that year. Many years and many festivals later, the band is more popular than ever.

Featuring a modified Chicago style, the sound is mostly what is considered today as "Big Band," with a repertoire running from Duke Ellington's "Sophisticated Lady" to "Orange Blossom Special."

Fine arrangements, written by Dick and other members of the group, mirror the years of ex-

perience with some of the best Big Bands and combos in the country.

This band has a well-deserved reputation for strong musicianship and a great sense of humor, as you will witness here at the Mammoth Lakes Jazz Jubilee. They return after a few year's absence with their wonderful vocalist, Claudette Stone. She has the feel for jazz and is one of the few singers today who knows how to sing one of those old ballads.

Joining in the band's brilliance are Ed, Brad, Tom, Mickey, Charlie and Ron who, along with Dick and Claudette, go the distance at every show to entertain all.

Richard Domingue Leader, Accordion, Vocals
 David Scott Sax, Penny Whistle
 Terry Keady Guitar, Vocals
 Mark Metoyer Bass

 Russell Ardion Rubboard

This will be the fourth appearance for Gator Beat at the Mammoth Lakes Jazz Jubilee. Led by Louisiana native Richard Domingue, Gator Beat specializes in its own brand of southern Louisiana music, blending traditional Cajun and zydeco with a wonderful mixture of original songs.

Like a good gumbo, the flavor is spicy and bound to please. They have been playing dances and festivals on the West Coast for over 10 years, and leader Domingue has created several CDs.

No matter what your taste in music, you won't be able to resist Gator Beat's feel-good, magical sounds.

Don't miss Gator Beat takin' it "down home" to Louisiana during the Mardi Gras festival at the Woods Site, Friday night at 8:45 p.m. They will also be featured at the new Grumpy's tent opening night party at 9:30 p.m. and at the Goodbye 2000 Jubilee party, also at Grumpy's, Sunday night at 8 p.m.

Al Hood	Trumpet
Joe Hall	Trombone
Jack Fredericksen	Reeds
Rich Maul	Reeds
Jack LaForte	Reeds

The Hot Tomatoes Jazz Orchestra was formed in 1982 by pianist Ron Cope, while he was a student at Metropolitan State College. The talented Cope, who received a degree in piano performance in 1985, has been a full-time musician since 1977 and considers himself lucky to be working with such a great group of musicians as the Hot Tomatoes.

Masters of swing, this band is dedicated to playing the best in popular tunes from the "great jazz age." You'll dance, delight and maybe just hum along to this wonderful orchestra whose trumpet-ers are Kevin Bollinger and Tony Klatka. Joe Hall plays trombone, while Jack Fredericksen, Rich Maul and Jack LaForte hold up the reeds section. Joe Lopez plays strong bass, and Ted Fulte plays drums.

The Hot Tomatoes Jazz Orchestra played Mammoth a few years back, and is now back by popular demand.

Kinda Dixie Jazz Band

Las Vegas, Nevada

Jim Fitzgerald	Leader, Trombone, Vocals
Greg Wing	Trumpet
Steve Johnson	Reeds, Vocals
Dan Ellis	Piano, Vocals
Ty Lemley	Bass, Guitar, Banjo, Vocals
Paul Testa	Drums

When the music of old New Orleans meets up with the spirit of old Las Vegas, a lot of folks find the result kinda irresistible.

The Kinda Dixie Jazz Band (once known as Sorta Dixie) plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland, but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For more than 10 years they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas.

Mammoth is kinda excited as it welcomes Kinda Dixie back to its Jazz Jubilee.

Tacoma, Washington

Lance Buller Leader, Trumpet, Vocals

Simon Stribling Trombone
Bob Hammer Piano
Larry Holloway Bass
Steve Clark Drums
Christopher Weitach Guitar
Stephanie Porter Vocals

It's hot jazz from the cool northwest as Lance Buller and the Monarchs head back to the Mammoth Lakes Jazz Jubilee.

Formed in 1985 by trumpet powerhouse Lance Buller, this band is made up of a unique combination of journeyed jazzmen and young lions. Always striving for the tightness and flow of a well-produced show, they still keep the spontaneity and drive of a jam session.

Now in their second year here at the Mammoth Lakes Jazz Jubilee, Lance and his Monarchs are always in high demand at jazz clubs and festivals throughout the country. They perform all the standards plus many original compositions.

While they carry on the tradition of New Orleans, The Monarchs add a "today's jazz" flair of their own that makes for standing-room only audiences wherever they perform.

Mike Costley Jazz Band

Palm Springs, California and beyond

Mike Costley Leader, Vocals
Yarek Urant Piano
Jack Prather Bass
Steve Neilen Drums
Chuck Buffamonte Guitar
Steve Alaniz Reeds
Gino Antonacci Vibes, Piano

Mammoth Lakes welcomes Mike Costley and his band of wonderful musicians to the Jubilee for the first time. Mike pulled together a bunch of friends and musicians whom he has played with over the years and formed this crowd-pleasing crew.

The great thing about seeing Mike Costley perform is that he is adaptable. Whether in a nightclub, an auditorium or an open-air setting, he molds himself to the environment and rises to any musical occasion.

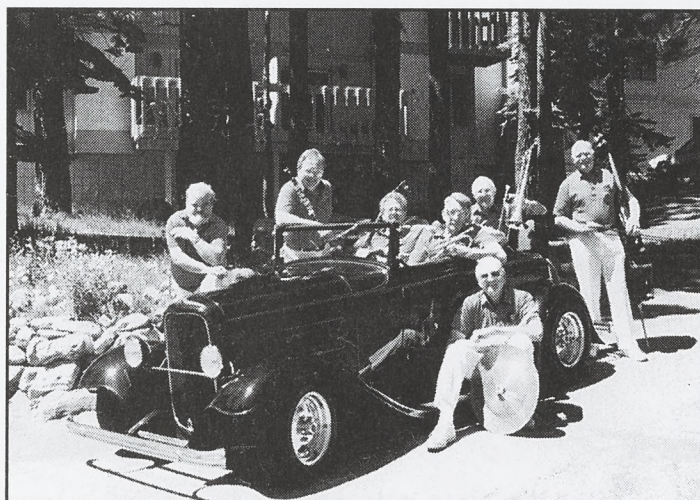

He can effortlessly make the transition between the swinging playful songs of Louis Prima to the heartbreaking torch songs of Frank Sinatra. Mike has an enormous love of music, whether it be jazz or big band, contemporary or rhythm and blues; his desire to draw the audience in is pure magic. He has a boyish charm and a mature singing style, which make him a must-see performer.

Mike's numerous accolades include appearing on the Merv Griffin Show, recording with Frank Collette and the Tonight Show Orchestra, and playing numerous nightclubs in Los Angeles and Orange County. He was lead singer of the Standing Ovation, with whom he traveled the United States and Puerto Rico and as a solo performer. He has appeared at the Las Vegas Hilton, Bally's in Reno and Caesars in Lake Tahoe.

Joining Mike in Mammoth are Polish born pianist Yarek Urant; bass player and current musical director of the Great American Music Company Jack Prather; drummer Steve Neilen, who has appeared with Jerry Vale, Sonny Bono, Vic Damone and Dionne Warwick; chameleon guitar player Chuck Buffamonte; reeds specialist Steve Alaniz; and Canadian born Gino Antonacci, an impressive piano player.

Claremont, California

Chet Jaeger	Leader, Cornet
Dick Doner	Trombone, Piano
Jimmy Rich	Reeds
George Olson	String Bass
Don Richardson	Banjo, Guitar
Paul Reid	Piano
Larry Kostka	Drums

The Night Blooming Jazzmen return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan MC, and the whole band enters in on the hilarious and spontaneous shenanigans.

Carl Saunders	Trumpet
Ron Stout	Trumpet
Andy Martin	Trombone
Rusty Higgins	Alto Sax
Roger Neumann	Baritone Sax

This is the second year we welcome the Phil Norman Tentet to our Jubilee here in Mammoth Lakes.

Formed in 1995 when a club owner asked Phil to get together some players to fill in for another band that had canceled, the Phil Norman Tentet came together with top-flight musicians. They have combined forces with the best arrangers, using popular tunes that haven't been overexposed. The formula makes for some incredible West Coast Jazz.

Diversity is key with this band — they play everything from swing, bebop and concert to fusion and salsa.

If you haven't seen this group of super talents, be sure to stop by one or more of their performances in and around the Mammoth arena.

The Professors

Everywhere, USA

Bill Dendle Leader, Banjo, Vocals
Rusty Stiers Trumpet
Jim Buchmann Reeds
Jason Wanner Piano
Steve Tyler Trombone
Westy Westenhofen Bass, Tuba
Ed Metz Jr. Drums

This will be the fourth appearance of a creatively-formed band called The Professors. Made up entirely of teachers from the sixth annual Mammoth Lakes Jazz Jubilee Camp, the Professors is led by camp administrator Bill Dendle. The rest of the players/instructors are Ed Metz Jr., Rusty Stiers, Jim Buchmann, Jason Wanner, Steve Tyler and Westy Westenhofer.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult because the Jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "Three years ago, we decided instructors could not be in a separate band so we formed a new one." (Ed Metz, Jr. is an exception to this rule.) The success of the Professors was instantaneous.

With so much talent and experience, they will surely bring the house down again this year.

Ryan's Raiders

Morro Bay, California

Gary Ryan Leader, Banjo, Vocals
Phil Smith Reeds, Vocals
Tom Shader Bass

Returning for the fourth year in a row, Ryan's Raiders are "roving ambassadors" for the Mammoth Lakes Jazz Jubilee and have already been accused of "working without a net" (because Annette only works with Frankie Avalon!).

Their "request" style allows the fans to hear songs that sometimes are overlooked, and these guys play anything. Truly innovative, with superb musical abilities and a wide-open approach to entertaining, the Raiders offer a unique addition to the festival line-up.

Check out their first CD, it's a blast. In addition to playing sets at the many of the tented sites, the Raiders will be playing at Angel's Restaurant, Perry's Cafe and Alpenrose Restaurant, and will be involved in a jam session Saturday night at Ocean Harvest Restaurant, which begins at 10:45 p.m.

moves from the corner of Old Mammoth Road and Main Street to the parking lot of the new Grumpy's restaurant and bar on Old Mammoth Road near Meridian Boulevard.

There is no longer a site called the Bear Pit, however, the Woods, Church, Whiskey Creek (tent and inside) and the RV Park are still major sites. The Matterhorn, Alpenrose, Nevados and Angel's are among local restaurants that will host special events such as the Banjo Brunch, and performances by Ryan's Raiders. This year's Pianorama will take place inside Ocean Harvest.

"We are excited about the new sites," said Flossie. "We think they will be fun and hope people enjoy all the new and returning bands, too. Each year, we try and keep it fresh — that is one of our goals with this Jubilee." *MLJ*

Paul Johnson	Drums
Greg Varlotta	Trumpet, Piano
John Noreyko	Tuba

Energetic, entertaining and exciting can best describe the Side Street Strutters, who make their fourth appearance here in Mammoth this year. Many people may have caught their act at Disneyland or perhaps heard that they gave a special performance for former President Ronald Reagan.

The seven-member crowd-pleasing band is based in Southern California (yep, at Disneyland). The Strutters invite you to join them in several special sets, including the light-hearted and entertaining "New Orleans-Mardi Gras" set at the Woods Site Friday at 10 p.m. Another special set not to miss is the Strutters' tribute to the big band era during their big band set "Jumpin' into Swing" Saturday at the Woods Site at 6:45 p.m., followed by an 8:30 p.m. set in the Church of "Jazz Standards."

Everywhere, USA

Terry Myers	Leader, Reeds
Charlie Bertini	Trumpet
Pat Gulotta	Trombone
Jeff Phillips	Piano
Bob Leary	Guitar, Banjo
Jay Mueller	Bass
Ed Metz, Jr.	Drums

Jazz fans attending the 2000 Mammoth Lakes Jazz Jubilee are in for a rare treat. This festival will mark the first (and probably only) appearance of the group known as Terry and the Pirates.

This group is an amalgamation of Bill Allred's Classic Jazz Band and Tom Hook's Black Dogs. Terry Myers, Charlie Bertini, Jay Mueller and Jeff Phillips (who substitutes for Randy Morris on numerous Allred dates) will represent the Allred band. Ed Metz, Jr., Bob Leary and Pat Gulotta represent the Dogs.

The members of this group have been given the following option: swing like crazy with their instruments, or swing by the neck from a yardarm. The vote was 6-1 in favor of the former (we won't mention the name of the masochistic swab who voted for the latter).

Nashville, Tennessee

Bob Draga	Leader, Reeds
Joe Murphy	Tuba, Bass
Jeff Barnhart	Piano
Charles Bond	Reeds
Louis Brown	Trombone
Daniel Coots	Drums
Jerry Krahn	Guitar, Banjo

The Titan Hot 7 is a Nashville-based hot jazz band. Most of the seven have worked together for years in various combinations. This is their first time here as a group (although some individuals have played in other bands) at the Mammoth Lakes Jazz Jubilee and we are excited to welcome them.

The Titan Hot 7's principal musical style is hot jazz, and since 1996 they have played it at jazz festivals and jubilees from Sacramento to Indian Wells to Chilliwack, BC to the Lake of the Ozarks. Three recordings are hot items to jazz lovers and include "Goin' to Tishomingo," "The Jean Wright Sessions," and "Jam in Music City."

Most of you have heard clarinetist Bob Draga's "fat sound" before and delight when he teams up for special sessions with fellow band member Jeff Barnhart, a ragtime pianist. Like last year, they will team up again twice on Friday night at the new site of Ocean Harvest and again Saturday night at Ocean Harvest.

Rounding out this fun and talented crew are Joe Murphy, Charles Bond, Louis Brown, Daniel Coots and Jerry Krahn. Like their name says, these guys are hot.

In fact, these bands are so hot, we couldn't find a camera tough enough to handle taking a photo of their blistering hot mugs — so you'll just have to see them in person at one of the shows listed below. Please give them a warm Mammoth welcome.
